## Appraisals

£42.51

This is a complete "Training Course in a Box" solution for "Trainers and Facilitators" comes with everything you will need to run your own courses "In House" or as "Open Public Training".

This course can be run over one, three or five days depending on how deep into Appraisals you want to go with your delegates.

It is set out to run over three days but can be edited down or timings changed to run over a period of time in short sessions.
